Allflex® WEB Order System – Sheep and Goat NLIS RapID® Tags

Step 1

Accessing the Allflex Sheep and Goat RapID Tags online ordering tool

1. **Open your preferred web browser.**
2. **Enter the following URL in the address bar: allflex.com.au**
3. **Select Sheep & Goat NLIS tags Tab**

4. Enter your Login ID and Password.

A Login ID and Password can be obtained by contacting Allflex Customer Care on 1300 138 247 or emailing allflexcs@msd.com.

First time users will be required to change their Password and add an email address so you can be contacted if there are any problems with your order.

5. Change Password and add Email address/s.
6. To create a new Order select Make Order.

Once the Username and Password have been set the "Please enter Producer's PIC" page will become the default page.

How to enter an NLIS Sheep & Goat RapID Tags Order.

1. To start the order entry sequence, enter the producer's PIC Number & select OK.

2. Enter the Producer's Details, full first and last name required. (Orders with insufficient producer details may be held for verification). The Tag Bucket File will be emailed to the producer email address supplied.

3. Delivery address will default to the Merchant Store address. Delivery details can be amended for orders being shipped to a different location, e.g. Direct to the Producer.

4. Update email address. Allflex will email you using this contact information if there is a problem with the order.

   Select OK.
