Take a closer look at the new Allflex A-Tag Feedlot tag

Reliable, hassle-free A-Tag application

- Faster, easier tagging eases stress
- Cuts tag-loading time in half
- New pin shape reduces application force by 50%

Completely redesigned self-piercing tip

- Easier ear perforation with new shape
- Resists snagging with rotating attachment and soft plastic
- Lasting retention in challenging conditions

Customize your ID system

- Wide range of colors and large-print ID numbering options
- Preprinted numbering, text or logos for custom solutions

Available Colors

Every day you make gains on a stronger future

We'd appreciate being at your side:

- Designing a custom ID solution
- Setting up stamping machines
- Infrastructure consulting on digital ID
- Training your processing crews, staff and consultants
- Partnering on cattle feeding innovations

It All Starts With A Tag.
