

USDA 840 SWINE TAGS

Operation Type Decision Guide

Important: Tag allocations are reviewed differently for Sow Farms, Exhibition Operations and State Animal Health Officials. Selecting the wrong operation type may result in a review of your tags requested. Please choose the option that best describes your request before submitting an order

SAHO¹
State Animal Health Authority or Program
• Ordering for a state animal health authority or State animal health program

Exhibition Operation²
Fairs, shows, 4-H, FFA, or Exhibition
• Request based on current live exhibition inventory - multiple orders permitted per contract

Sow Farm Operation³
Breeding age female swine production
• Request based on breeding sows affiliated to your PIN - Quantity limit per contract year
